Prerequisites for organisation registration

WHY DO I NEED TO REGISTER MY ORGANISATION?

To submit an application or become a partner in a project, you will need an Organisation ID. You can get your Organisation ID if you fill in a simple form proving some basic information about your organisation. Please note that organisations that have already participated in an Erasmus+ or European Solidarity Corps action managed by a National Agency and have a Participant Identification Code (PIC) have automatically assigned an Organisation ID.

WHAT ARE THE PREREQUISITES FOR ORGANISATIONS REGISTRATION?

The organisation registration goal is to create a unique identifier for every organisation - applicant, beneficiary or partner - participating in the programme. That's why before you register your organisation, it's essential to check whether your organisation already exists in the system. Please use the search field below and type in either the legal name, business name, an organisation website hyperlink, PIC or an OID number to check whether your organisation exists.

Upload of forms required by the programme

As part of the registration process, applicants must also upload the Financial Identification form and the Legal Entity form in the Organisation Registration System. These forms can be downloaded from the Forms for EU contracts page.
